TOURIST HOTEL BE BUILT IN TABLE ROCK COVE.

Another development which will be a step toward making this section rival the famous Sapphire country of North Carolina is the construction of a tourist hotel in Table Rock Cove, 20 miles north of Pickens, announcement of which is made by J. P. Carey, Jr., of Pickens.

The old hotel building near Table Rock is to be torn away at once and a modern hostelry will be erected in Table Rock Cove, several miles distant, Mr. Carey stated. The promoters of the new hotel are Mr. Carey and Wade H. Chastain, who manages the vast preserves throughout this section of the Carolina Timber Company.

Work of tearing down the old hotel, a part of the material of which will be used in the new structure, will be not later than August 1, Mr. Carey stated. It is planned to erect a hotel with 30 guest rooms, while it is possible that this number will be increased should the volume of traffic demand it.

Owing to the late start of the present season, no effort will be made to open the hotel before 1923. However, it is planned to have the place ready for tourist at the beginning of next summer and various attractions will be provided for the incoming pleasure seekers.

Mr. Carey said that present plans did not call for the construction of a huge lake, on the order of Lake Toxaway. Such a report was generally circulated about Pickens, but is without foundation for present. However, Mr. Carey made it plain that amusements would be provided for the guests and it is considered that if the travel to this section meets expectations a number of developments may be made before the opening of the 1923 season.

Section Once Famous

Older residents of Pickens recall the time when Table Rock was one of the most famous resorts of the state. Hundreds of persons from the lower part of the state were accustomed to spend at least a part of the summer at the hotel there or in cottages about the mountain. During the past score of years however, the greater part of this travel has gone to Hendersonville, Asheville and other North Carolina cities. The construction of top-soil highways and the erection of hotels is expected to again place Table Rock, Caesar's Head and other South Carolina peaks in the public mind.

Dr. R. Kirksey, one of the owners of Table Rock mountain, stated that many persons are now camped about the famous "Table," but lack of proper accommodations probably has kept this number down to the minimum. That Table Rock was once famous as a resort and was visited by many persons is shown by the iron steps once placed up the steep side of the mountain. According to Dr. Kirksey these steps were erected about 1840 or more than 80 years ago. Time has played its part in wrecking the steps but they may still be seen, it was stated.

No announcement of recent date has caused more interest in the section about Pickens and the prediction was freely made that many other important developments are likely to take place, once travel is again diverted to this section.

REVIVAL MEETING

The Christian forces in Pickens are being aroused and sinners are becoming interested by the preaching of Railroad Spinks, evangelist, at the Methodist church and the interest is growing with every service. The evangelist is at his best and when Spinks it at his best he is going some. He has the cooperation of all the pastor's of the town and everybody is cordially invited to the meeting.

R. L. Barksdale, blind singing evangelist a noted singer, is leading soul stirring songs that thrill the congregations. Come out to hear Railroad Spinks while he is in Pickens. Preaching services every night at 8:30. Prayer service at 10 o'clock every morning at Grace Methodist church.

Miss Durham, daughter of Mr. Tommie Durham who lives near Concord church, was struck by lightning and instantly killed last Sunday afternoon while standing in the doorway.

NEWS FROM CATEECHEE

On the 17th inst., the Captain of this universe changed the ranks of the old soldiers who suffered trials and tribulations and fought as no others have ever fought from 1860 to 1865 and took for its prisoner the soul of Mr. David Calvin Barker. While the subject of this sketch fought for four long years in the service of his country and made a brave and fearless soldier then and has fought for the cause of his Master here upon this earth for many years since, the Lord realizing his time was at an end here upon this earth so far as activity was concerned and as he like Paul had fought a good fight both as a soldier of his country and as a soldier of the cross saw fit to carry him home where he could join a union that is far superior to any here upon this earth. Too much credit cannot be given those old gray heroes who faced hungry, heat and cold as well as bullets, many of whom returned home with an empty sleeve, may be a stick for a leg or may be minus an eye, or some other kind of a deformity to make their way in this world without anything save a determined resolution, and yet after such obstacle or 58 long years we still see a few of them here battling not only for a livelihood but for a home in heaven, where when all are gathered home there will be a perpetual reunion.

The deceased was born March 9, 1840, which made him 82 years 3 months and 28 days old. His remains were laid to rest the day following his death at King's Grove cemetery. His wife preceded him to the grave about 12 years ago. He leaves the following children: J. T. Barker of Greenville, S. C., B. H. Barker, of Townsville, S. C., D. P. Barker of Pelzer, Mrs. W. M. Davis of Kings Grove, Mrs. J. M. Satterfield of Six Mile. Peace to his ashes.

On Saturday, 8th inst., about 4:30 p. m., at the residence of the officiating officer, Mr. Dewey Durham lead to the hymenial altar Miss Minnie Lee Dodson and J. Alonzo Brown spoke the words that united them in the holy bonds of wedlock and right here we wish to say the happy young couple will never look better and their countenance will never shine brighter this side of that celestial shore than they did the evening they took the solemn obligation to forever forsake all other lovers for each other.

The groom is a son of Mr. and Mrs. G. W. Durham of Central R4 and is a promising young man while his bride is a daughter of Mr. and Mrs. Ellis Dodson of Central R2 and is a young lady who numbers her friends by the score. Their many friends are extending them their hearty congratulations.

Rev. J. W. Prior assisted by Rev. McElrath, a young M. E. preacher of Greenville, just closed a series of meetings at the Catechee union church. While there was only one accession to the church and that by restoration great good was accomplished as several claimed salvation who had back slid and the spirit manifested itself to many lukewarm hearts.

Rev. J. A. Davis, the pastor, will begin a weeks meeting tonight (Monday night) at Catechee.

MARRIAGE

Married by Rev. C. L. Craig at his house on Sunday p. m. July 2nd at 7 o'clock, Mr. J. E. Allgood and Miss Georgia Marchbanks. Mr. Allgood is a son of Mr. W. B. Allgood of Pickens, one of the oldest Confederate veterans of the county and also a great-grandson of a Revolutionary soldier and is a veteran of the World War himself and fought in the battle of Meuse, Argonne Forest. Miss Marchbanks is a daughter of Mr. S. P. Marchbanks of near Mile Creek church, a substantial citizen who recently moved from Greenville county.

This young couple have numerous friends who will join in wishing them a long and happy life.

NOTICE

All persons interested, be on hand at Griffin church on Saturday afternoon before the 4th Sunday inst. for the purpose of cleaning off the Cemetery. Come early and bring tools.

NOTICE TO SCHOOL TRUSTEES.

The trustees association of Pickens county will meet Saturday July 15th at 2 o'clock p. m., for the purpose of discussing school questions for the coming scholastic year. The question of Compulsory Education, State Aid, Extension of paying taxes, etc., will be taken up, and recommendations to the county delegation made.

This is probably one of the most important meetings that will be held during the year, so please be on hand promptly at the appointed hour.

This is positively no political meeting; just for the trustees.
F. V. Clayton, Supt of Ed.

NOTICE TO TEACHERS

Those wishing to teach on permits for the coming year are hereby notified to appear at the Court House, Pickens, S. C., on Friday July 14th, 1922, at 9 o'clock a. m. for the purpose of standing an examination to obtain a permit.

The rules of the examination will be the same as those governing the State examination for teachers. Please be on hand promptly at 9 o'clock.
F. V. Clayton Supt of Ed.

NOTICE OF ENROLLMENT

Let each one who is qualified to vote be sure that he gets his name on his Club Roll, and it would be best to enter same as soon as you will can, as the books will close on Tuesday, July 25th, and as you will see this is less than two weeks, so you haven't much time to procrastinate and then get your name on the Roll book and unless you get your name on you will not be allowed to vote. A few do wait until the last and then they have to get an order from some circuit Judge in order to get their names enrolled, and the Judge may not grant this unless you have some legal excuse for not getting it on while the books are open for you. So remember the date, Tuesday July 25, and get the name on the book before that day. All books must be sent in to W. E. Findley, Chairman, by Friday July 28th, so that he can have a copy of the books made to file with the Clerk of court for public inspection at all times. If anyone has any question as to where he shall enroll or does not know where to find his book, let W. E. Findley, Pickens, S. C., know and he shall be glad to give you such information.

Also all who expect to be candidates and have not filed your pledges look after this before it is too late, for if you should neglect to file your pledge that will knock you out and it might be that the county would lose its best officer on account of the candidate being negligent in filing his pledges.
W. E. Findley, Chairman.

MISS MARY MARTIN WINS

A Pickens County Girl, Wins First Honors in a Tennessee College

Carsen-Newman college, which Miss Mary Martin attended the past year, offers only one prize in the nature of a scholarship which is awarded solely upon the basis of efficiency. The superior work and unusual ability of Miss Martin as shown in her record there the past year won for her that scholarship for the year 1922-23. It is no small distinction to be designated the most efficient young woman in a student body of about four hundred in a first class, four-year college. Miss Martin's major work is in Home Economics, in which she is specializing in connection with the regular course for the B. A. degree.

Miss Martin is a grand-daughter of Mr. and Mrs. Matthew Hendricks who are among the oldest and best known residents of Pickens county, and her home is with her grandparents in the Oolenoy section. She is spending her vacation with them. The relatives and wide circle of friends are rejoicing with her in her success in college.

Mrs. Arthur Alexander and baby from Greenville are visiting relatives in Pickens.

GAS GIVES OUT; RUNS ON WHISKEY

A staff correspondent of the Greenville News is responsible for the following:

Dr. F. S. Porter, a practicing physician of Pickens and probably one of the best known members of his profession in this part of the state seems to have solved the troubles which occasionally overtake motorists.

Several nights ago Dr. Porter was called upon to answer an urgent call. Several miles from town his car (the same popular brand as made Detroit famous) came to a halt and refused to go farther. Examination showed that the gas supply was entirely exhausted. It was probably several miles to the nearest gasoline filling station. In his desperation a happy thought came to the motorist-physician.

Seeing a small light across the country he walked over to the farm house and secured a gallon or so of kerosene. Instantly the engine was ready to go and the physician was enabled to make the trip with but little delay.

Several years ago, Dr. Porter stated, he was in a similar predicament. Unable to secure any gasoline a small quantity of whiskey was secured and placed in the gas tank. The effect was the same as if the fluid had been real gasoline. The physician was enabled to make the trip on time.

"The whiskey made the car go all right," Dr. Porter laughingly stated, "but made it extremely hard to hold in the road. Like men, an automobile gets crazy when fed on whiskey and I was afraid that it was going to get away from me in spite of my best efforts. But there is no denying that a car will run on whiskey—for I have tried it. But, of course, that was before the days of prohibition and now we have to use kerosene when the gas gives out."
